LB 882

SPEAKER MARVEL PRESIDING

SPEAKER MARVEL: Record the vote, Mr. Clerk.

CLERK: Quorum present, Mr. President.

SPEAKER MARVEL: We are ready to start on consideration of LB 882. We have several amendments on the Clerk's desk. I think we should start with those.

CLERK: Mr. President, we last considered 882 yesterday. There were several motions considered. The first one that I have pending is by Senator George, but he hasn't arrived for this afternoon session yet.

SPEAKER MARVEL: Do you want to go to the next one?

CLERK: I have one from Senator Lewis who....Senator Lewis has not arrived yet either. The next one, Mr. President, is by Senator Beutler to amend LB 882 to add the words "and business" after the word "agricultural", on page 4, line 6.

SPEAKER MARVEL: The Chair recognizes Senator Beutler.

SENATOR BEUTLER: Mr. Speaker and members of the Legislature, I have two amendments up there. Both of them are designed to deal with a problem which I consider very real and which will be dealt with at some point in time and that is the discrepancy between the handling of business and agricultural equipment. But at this point in time I do not want to get into there. They were not intended as harrassing amendments, but I fear that any amendment at this point in time is going to be seen as such and so I would prefer to deal with them at another time, and I would ask unanimous consent to withdraw both of the amendments.

SPEAKER MARVEL: Hearing no objections, both....Senator Beutler withdraws both amendments. What is the next one?

CLERK: Did he withdraw both? Okay.

SPEAKER MARVEL: Yes.

CLERK: Mr. President, Senator Labeledz has a motion on the bill. Senator Labeledz, you have a motion on that bill to vote on advancement and also suspend the rules. Do you want to do that now, or....pardon? There are amendments, yes, pending. How many are what? Well, depends on when people get back.
